A police official informed concerned authorities that the government after thorough investigation had found many "irregularities" in foreign exchange dealings and had substantial proof of illegal activities of the 12 remittances agencies.

SEMINOLES STREAK

Down Wah Ying 13-6 In Junior League Game

By "TIME OUT"

Fresh from their triumph over their bitter rivals, the Cheyennes, on Sunday last, Ed Carvalho's pennant-bound Seminoles extended their winning streak to 17 games since they first joined the Men's Junior League at the start of the 1956/57 season when they ran out easy winners against Wah Ying in the first of two League games played off yesterday, scoring 13 runs and conceding 6 to the opposition.

In the only other softball game of the day, the listless Cheyennes, still smarting from their defeat at the hands of the champion Seminoles, almost paid the penalty for underestimating the fighting qualities of Yee Jick-fai's War Eagles as only poor finishing prevented the Eagles from pulling off an upset in a game which the Cheyennes just managed to win by 18 runs to 14.

I had seen the London Rockets defeated by the Burtonwood Bullets 13-7 at the Sports Stadium in Hayes.
So here, for a small, privately circulated history book is what I think happened.

First thing you need for American football is a supply of hot-dogs. These should float non-stop over and between the heads of the crowd at the rate of two hot-dogs to one head—always mysteriously passing backwards and forwards along the rows. the rows.
